

Tourism Development Grant

Special Programs - Wayfinding and/or Trail Signage

The Beloit Convention and Visitors Bureau Charitable Foundation will accept grant applications up to \$15,000 for costs related to the development of attractions, amenities, and interactive experiences, as well as high impact traveling exhibitions and certain types of signage in the greater Beloit region. All projects must be likely to generate overnight hotel stays or enhance the visitor experience. Grants for any of the following purposes are not eligible: non-high-profile festivals and events, feasibility studies, operating expenses, annual fund drives, endowment funds, reimbursement for previously incurred expenses, marketing, research, travel, and expenses typically considered to be overhead. Grant submission deadlines are March 15 and September 13. Grant awards will occur by the end of March and September.

Describe the program by answering all of these questions: What kind of wayfinding signage do you currently have? Have you secured community support for bicycle and pedestrian wayfinding signage consistent with Manual of Uniform Traffic Control Devices (MUTCD) Section 2D.50 Community Wayfinding Signs (Click below to go to this manual section)? *

Please describe any challenges you anticipate with this project. *

<https://mutcd.fhwa.dot.gov/htm/2009/part2/part2d.htm#figure2D18>

Who will be in charge of managing the signage project and what are their qualifications?

How will the signs purchased with this grant be maintained once installed? *

Bike/Ped Directional signage projects ONLY: Are the bicycle and pedestrian facilities for this wayfinding signage proposal maintained and open to the public year-round? If not, during what months are they open?

Bike/Ped Directional signage projects ONLY: Describe how the bicycle and pedestrian facilities for this wayfinding signage proposal attract, support, or enhance the visitor experience. Describe how the signage to tourism-related businesses enhance the visitor experience, attract leisure, business, and group travelers, mark access to bodies of water, and/or serve overnight visitors.

What is the intended timeframe for installing signs? *

Bike/Ped Directional signage projects ONLY: Do the facilities included in your proposal help to connect neighboring communities and/or regional trails? If so, explain how.

Special Program budget

The total funds should equal or exceed the total expenses.
